

MOM-n-PA 2022

York • June 10-11

Pittsburgh • Aug 5-6

Looking to make an impact on the lives of those who are less fortunate, those most in need of your generosity? Join your colleagues on Friday, June 10 or Saturday June 11 at the York Expo Center, or on Friday, August 5 or Saturday August 6 at the David Lawrence Convention Center in Pittsburgh for one of the MOM-n-PA missions happening this year. As always, there is a great need for volunteers - dentists, hygienists, assistants and lay volunteers to support the goals of treating several thousand patients over the 2 days of each of these events. Registration opens on March 14 for York at www.mom-n-pa.com, and in April for Pittsburgh at www.mompgh.org.
