Message

from the President

Dr. Constance Greeley

What's Important?

Autumn can be the time of year for reflection...when we ask ourselves “where did this year go?”, “have we accomplished the goals we planned for 2026?” As dental professionals we are tasked with leadership, not only of our practice team but of our profession. As members of our dental society, we can determine how we lead our profession, how we can deliver the best care to our patients and who determines those choices.

If we let others make those decisions, our patients' care may be in jeopardy. We are the best determiners of quality of dental care. Membership in our Society gives us a chance to reconnect with each other and share our concerns and ideas. We need to ensure that our professional values are defended and protected. With strong representation our voices can be heard and our patients' values sustained. Please make membership in the Dental Society of Chester County and Delaware County your priority.

Oh, and one more thing. Participating in and/or supporting our Give Kids a Smile, Give Vets a Smile or working with the MOM-n-PA project is a great chance to make a holiday gift to our outreach programs this season.

Best wishes for a happy holiday season ahead.

Connie Greeley

Past President's Dinner *June 2026* *Black Powder Tavern*

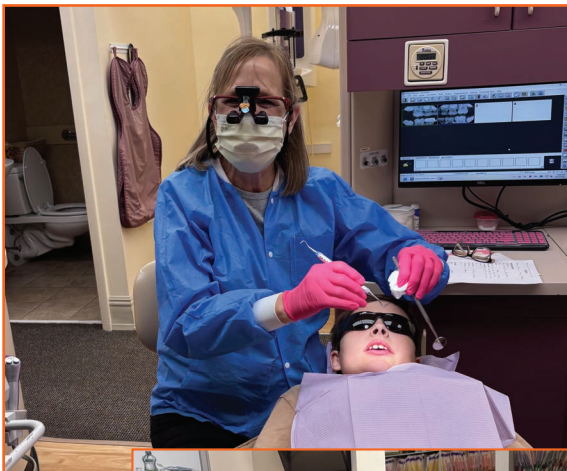

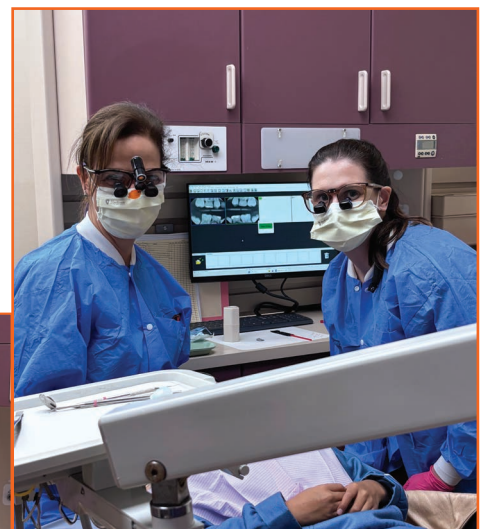

ADA American Dental Association®

Our first Fall 2026 **Give Kids A Smile** was held at Dr. Theresa Devine's office in Broomall, on Wednesday, October 7th. Chester-Delaware volunteers included Drs. Brady, Devine, and Logan. Fortunately Drs. Lazaroff and Villegas joined us!!

Donations from Drs. Ferrell and Pfeiffer helped provide care for 17 fortunate students, who received \$7,255 worth of dental care and education. We still have additional supplies provided by Schein representative, Josh Barry, to supplement those provided through the American Dental Association Foundation-Henry Schein Cares collaboration for our Give Kids A Smile Program.

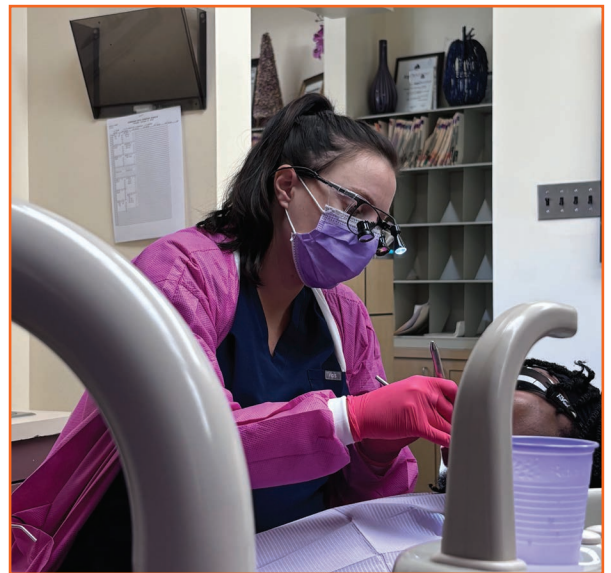

We provided our volunteers letters to document hours of volunteer/uncompensated dental, hygiene or EFDA practice, of which 3 hours may be credited toward the SBOD biannual in-person continuing education requirements.

With gratitude,
Tami, Linda & Bernie

Member Spotlight

Tamara Brady DMD

Dr. Tami Brady attended the University of Pittsburgh School of Dental Medicine, where she earned her dental degree in 1992. Following graduation, she completed an AEGD program at SUNY Buffalo. She returned to Pennsylvania in 1993 and began her career in public health as dental director at Cornerstone Care, an FQHC in Greene County, before relocating to Chester County in 1998.

Tami then spent 14 years in private practice in several locations before returning to public health dentistry in 2012. She currently serves on staff at Community Volunteers in Medicine in West Chester and holds administrative roles at Brady Orthodontics, the practice of her husband, Dr. Tom Brady, also a graduate of the University of Pittsburgh School of Dental Medicine and Pitt Orthodontics. The Bradys established their home in Exton, Pennsylvania, and have two sons: Riley, who works in financial programming in Lower Manhattan, and Noah, a current University of Pittsburgh School of Dental Medicine student in the Class of 2028.

Tami has been active in organized dentistry since 1999 and has held numerous leadership positions within the Dental Society of Chester County and Delaware County, including treasurer, recording secretary, and president in 2008. Beyond the local society, she has served as Second District Director and Editor, as a delegate to the Pennsylvania Dental Association House of Delegates for eight years, and as a delegate to the American Dental Association House of Delegates in 2022 and 2023.

She currently serves as Chair of the Pennsylvania Dental Association Communications and Public Relations Advisory Group and as a Governor on the board of the Dental Society of Chester and Delaware Counties. She

also chairs the Chester/Delaware Dental Practice Committee and serves as a member of the Give Kids a Smile committee.

Outside of dentistry, Tami enjoys cooking for and spending time with her family, as well as outdoor activities including biking, hiking, and skiing. She also enjoys traveling and exploring authentic cuisines.
